### 1- Game Description

Join the Punch Club and fight for the grand prize!

Deep in the slums, where the fiercest underground fights take place, only the bravest prevails.

Punch Club is a classic 5x3 video slot game with 25 pay lines counting from leftmost to the right. The game features random wild multipliers and a free spins bonus game where high symbols transform into wilds.

During the base game, Wilds can appear with 3 different types of multiplier x1, x2, and x3. Three scatters landing on the panel triggers a Bonus Game awarding 10 free spins.

During the Free Spins game, collecting scatters switches high symbols into wilds. Each High symbol has its own threshold for turning into a Wild. When they convert, 2 additional free spins are awarded, and up to 18 can be earned in total.
