1- Game Description

Trust no one, stay sharp!

In Sheriff Colt, we introduce you to this legendary character, the law in the southern town of White Cuervo, where bandits prowl like wolves looking for prey. Sheriff Colt is a multiplatform medium volatility video slot game played on a classic 5x3 panel, 10 fixed pay lines counting from left to right, and with a max win potential of 10000 x your bet. The game features sticky wilds, re-spins, collectible scatters, and two bonus games with free spins and multipliers. During the main game, wilds are sticky and stay in the panel until the end of a re-spin. 3 or more Scatters unlocks a Free Spins Bonus game awarding 10 to 15 free spins. During the bonus games, wilds are sticky and hold on to the panel for the entire round. Collecting at least a Wild in every reel awards 5 extra Free Spins.

During the base game, collecting Scatters and filling up a progress bar triggers a Super Free Spins Bonus game where all winnings are multiplied by three.
