## 4- Paytable and Paylines

## 5- Game Rules

Welcome to Gunpowder, a high volatility Video Slot with 10 paylines, sticky wilds with respins and a powerful Free Spins game with Phantom power feature and retriggers!

### ABOUT THE GAME

In the explosive world of "Gunpowder," naval warfare has never been so cutthroat. It's every ship for itself, battling for oceanic supremacy. Ghostly vessels haunt the watters, unleashing phantom power and tipping the scales of battle!

### MAIN GAME

The game has a 3x5 panel and 10 paylines that pay from left to right.

Scatters can appear on any reel.

Sticky Wilds trigger a re-spin and stick to the panel until the re-spin ends.

Wilds substitute for any symbol except the Scatter.

### FREE SPINS

3 or more scatters trigger the Free Spins game.

\* 3 Scatters award 10 free spins.

\* 4 Scatters award 12 free spins.

\* 5 Scatters award 15 free spins.

When all reels include a Wild, Free Spins are retriggered awarding 5 extra free spins.

### PHANTOM POWER

Triggered randomly. When a Wild lands on the panel it triggers a re-spin.

The Wild will battle all High symbols that surround it, If the Wild wins, the defeated vessel transforms into a Wild and an extra re-spin awarded. In free spins Wilds can have a 2x-3x multiplier.

### GOLDEN BET

Players can pay x0.5 extra per bet and increase the chance of getting Sticky Wilds in the main game or trigger the free spins game.

### BUY INTO FREE SPINS

Players can buy into Free Spins with their choice of bet size.

7 - 12 free spins are randomly awarded.

Buy Random Free Spins RTP is: {{multiRtps.BUY\_FS\_RAND}}.

### HOW TO CALCULATE PAYLINE WINS

\* To calculate your total payline win, calculate all payline wins and add them together.

\* To calculate a single payline win, count the number of identical symbols lined up in sequence on the line starting from the left most reel.

\* If three or more identical symbols are lined up, find the win value in the dynamic Pay Table. There you can find the value for all symbols for 3 in a row, 4 in a row and 5 in a row. Only the highest winning combination per line is paid out.

\* If the winning combination starts with three wilds, there can be many ways to interpret the win. In this scenario, only the highest win combination is paid out.

\* The above doesn't include Scatters which do not need to be on a payline to award a prize.

\* After the Free Spins round is completed, all wins are added to any win from the game that activated the Free Spins.
