

SCRATCH CARD

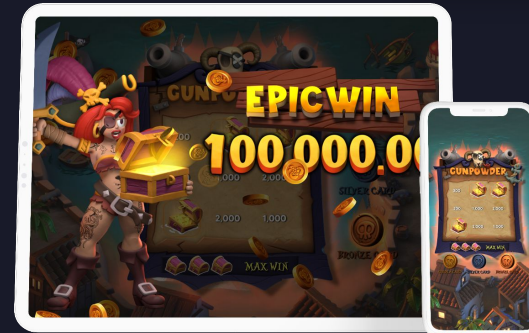

BASE GAME

In the base game, the excitement lies in scratching the surface to reveal hidden numbers or chest treasures. With each scratch, unveil the symbols beneath.

3 CHEST TREASURES = MAX WIN

When you scratch the 3x3 panel and discover 3 chest treasures, you unlock the maximum win potential. Each scratch brings you closer to the ultimate prize!

Welcome to Gunpowder, a High volatility Scratch game played on a 3x3 panel, offering a max win potential of 300000x bet. Hidden chest treasures lie waiting to reveal their riches. As you scratch away the surface, uncover the secrets of untold pirate loot and unlock the maximum win potential with the three chest treasures.
