## 5- Game Rules

Welcome to Ghostfather - Awakened, a medium volatility Video Slot with cash symbols (ghosts), a cash collect feature that gives immediate wins, powerful Free Spins, Super Free Spins and Mega Free Spins games with big cash payouts, ghost symbols with collectable boosters, Wilds with multipliers, retriggers and a Ghost Rain feature.

### ABOUT THE GAME

Restless spirits linger amidst faded family portraits. As ghosts whisper of lost fortunes, Igor Vasilievich, the once-powerful patriarch, hunts them down, unlocking riches from the afterlife!

### MAIN GAME

The game has a 3x5 panel and 20 paylines that pay from left to right.

Scatters can appear on any reel. Ghost symbols cannot be collected in the main game, they act as normal symbols unless golden bet is enabled. Wilds also can not land in the main game unless the Golden Bet is enabled. When it's enabled, 1 or 2 Wilds can land each of them collecting the cash prizes.

### FREE SPINS

3 or more Scatters trigger Free Spins. 8 Free Spins are awarded in all Free Spins sessions. The difference lies in the quantity of Wilds (0-2).

\*3 Scatters trigger Free Spins game where only 1 Wild can randomly land.

\*4 Scatters trigger Super Free Spins game where 0-2 Wilds can randomly land.

\*5 Scatters trigger Mega Free Spins game where landing of 1 Wild is guaranteed and the second Wild can randomly land.

The Wilds substitute any symbol except the Scatter.

When a Wild appears on the panel it collects the values from all ghost symbols in the panel awarding an immediate win. In the case of 2 Wilds, the cash prize is doubled. Wild multipliers multiply the wins from paylines that go through the wild and wins from ghost symbols.

\*Ghosts can pay 1, 2, 3, 5, 10, 25, 50, 100, 250, 500 or 1000 times bet.

\*Ghosts can land with a booster.

\*Boosters can be of type spade, heart or diamond.

Other situations that can trigger a ghost collect:

\*Cash prizes for Lonely Wild - during Free Spins if a Wild lands without any ghosts in the panel there is a chance of triggering Ghost rain.

\*Collection of cash prizes without Wild - during Free Spins if there are 6 or more ghosts in the panel without a Wild and there are no payline wins there is a chance of collecting their prizes.

### BOOSTERS

There are 3 different types of collection meters that will trigger a booster.

\*3 Spades give 3 extra free spins.

\*3 Hearts increase the multiplier on Wilds (x2, x3, x5).

\*3 Diamonds trigger the ghost rain feature.

Boosters are always collected when they appear. When the multiplier reaches to x5, the Heart boosters stop collecting and its meter turns blank.

The flow when all 3 boosters get collected at the same time is :

\*3 extra free spins are added immediately.

\*If there are winning lines they are evaluated without considering the new Wild multiplier.

\*The Ghost Rain symbols are placed.

\*The new Wild multiplier is applied to all ghosts including the ones produced by Ghost Rain.

### GHOST RAIN

When triggered during Free Spins it places a random number of ghosts in the panel which always get collected.

### GOLDEN BET

Players can pay x1.5 extra per bet and give the chance of getting Wilds in the main game hence triggering a wild collect.

Ghost symbols can pay 1, 2, 3, 5, 10, 25, 50, 100, 250, 500 or 1000 times bet.

### BUY INTO FREE SPINS

Players can buy into Free Spins with their choice of bet size. 8 free spins are awarded.

\*Buy Free Spins RTP is :

\*Buy Super Free Spins RTP is:

\*Buy Mega Free Spins RTP is:

### HOW TO CALCULATE PAYLINE WINS

\*To calculate your total payline win, calculate all payline wins and add them together

\*To calculate a single payline win, count the number of identical symbols lined up in sequence on the line starting from the left most reel.

\*If three or more identical symbols are lined up, find the win value in the dynamic Pay Table. There you can find the value for all symbols for 3 in a row, 4 in a row and 5 in a row. Only the highest winning combination per line is paid out.

\*If the winning combination starts with three wilds, there can be many ways to interpret the win. In this scenario, only the highest win combination is paid out.

\*The above does not include Scatters which do not need to be on a payline to award a prize.

\*After the Free Spins round is completed, all wins are added to any win from the game that activated the Free Spins.

\*This game has a win cap of 10000x bet.
