5- Game Rules

Welcome to Boom Farm! A medium volatility Video Slot with Scatter Pays, Cascades, Cash prizes and exciting Free Spins.

MAIN GAME

The game has a 6x6 panel. The game features Scatter Pays mechanics with Cascades. 8+ symbols anywhere in the reels awards a win. If there are winning symbols they are removed and a new cascade is triggered. New symbols fall down and fill the empty spots. Cascades continue as long as there are new wins. Scatters can appear on any reel and do not have any payout. There are 3 types of boxes in the main game which award cash prizes collecting them in a plate when they get unlocked.

BOXES

At the start of each spin the grid is refreshed with a new layout of background boxes. Each box corresponds to a single symbol position on the grid and contains a cash prize. To claim the prize inside a box, all of its spots must be opened by dealing the required number of hits. Hits are dealt when there are winning symbols (+1 hit) or when explosives land and explode.

*TNT barrel deals 1 hit from each box.

*Star bomb opens all of the boxes.

There are three types of boxes in the main game and Free Spins. The boxes award cash prizes of different values which get collected in a plate and get accumulated by the current bet.

Page 3

- *Wooden box requires 1 hit and awards a prize of x0.1x, x0.2x 0.5x, x1
- *Silver box requires 2 hits and awards a prize of x1,x2,x3,x5,x10
- *Golden box requires 3 hits and awards a prize of x10,x20,x50,x100,x500,x1000,x5000

FREE SPINS

4 or more Scatters trigger Free Spin. When there is no cascade winning, the Scatter does not get collected but it explodes itself if there is a box under it. During Free Spins, boxes persist between spins — they are not cleared after each spin. The boxes appear in Free Spins with the same payouts as in the main game. And if all the boxes in the grid get unlocked +1 extra Free Spins is awarded. In Boosted Free Spins only Silver and Golden boxes land.

- *4 Scatters award 7 Free Spins
- *5 Scatters award 9 Free Spins
- *6 or more Scatters award 12 Free Spins

Free Spins is played with the bet triggering the feature and it can not be retrIGGERED.

GOLDEN BET

Players can pay 2x extra per bet to increase the chances of hitting Free Spins. Golden bet triggers only the Boosted Free Spins with Silver and Golden boxes.

BUY FREE SPINS

- *Players can pay x80 bet to buy into Free Spins with random spins(7-12) with their choice of bet size.
- *Players can pay x150 bet to buy into Boosted Free Spins with random spins(7-12) with their choice of bet size.

HOW TO CALCULATE WINS

- *A win is formed if 8 or more symbols of the same kind land on the reels.
- *Each symbol's payout is listed in the dynamic Paytable. Only the highest win is paid per symbol.
- *Boxes award cash prizes when being unlocked.
- *Simultaneous or coinciding wins are added and paid.
- *Total win is awarded to the player.
- *This game has a win cap of 5000x bet.
